Aidan Aran Hoodie Pullover – page 46

Note:

- The Double Cable & Moss Pat - Chart A should read "17" sts.
- The CO should read - Back 84 (92, 100, 110, 120, 128) sts for a total of - 168 (184, 200, 220, 240, 256) sts.
- Omit the number "51" when it says "center 51" st, and just work the "center" sts indicated. Below that the numbers should be "18 (22, 26, 27, 32, 36) sts".
- Where it gives a total on front and back, "size 2X should read 238 sts".

Body

With 24" or 29" circular needle, CO 84 (92, 100, 110, 120, 128) sts for front, pm, CO 84 (92, 100, 110, **120**, 128) sts for back, pm and join without twisting sts. Work the total 168 (184, 200, 220, **240**, 256) sts in Moss st for 8 (8, 10, 10, 10, 10) rnds [*edit: extra 10 taken out*]. Change to Cable st. For sizes S, M, L, the center 51 sts will use Chart A flanked by Chart B on either side. **Work k2 on either side of center Chart A. For sizes 1X, 2X, and 3X, charts A and B are separated by (p2, k2, p2) and (k2, p2) before the first Chart B and (p2, k2) after the second Chart B. On either side of the center 51- (51-, 51-, 63-, 63-, 63-) st cable combination, there will be 16 (20, 24, 23, 28, 32) sts, which will be worked in Chart C.** All sizes dec 1 st in the middle of the center cable on row 9 (9, 11, 11, 11, 11)—after the Moss st edge. On st #9, row 1 of Chart A, p2tog. After the dec, 83 (91, 99, 109, 119, 127) sts rem on front and back ea, with a total of 166 (182, 198, 218, **238**, 254) sts. (This st will be added back to the front just before the V-neck shaping, but will not be added back to the back piece.)

(Also, the st multi for chart A, Double Cable & Moss, is **17**, not 16)

Zig-Zag 3/4 Coat – page 56

CO 162 sts. Follow directions to Row 7, work Row 3 (purl) as last.

Neck Edge, CO 18 sts -cont working for a total of 10 (12, 12, 13)".
